**“Put this date in your calendar: November 6, 2018. We will take our country back one vote at a time! We will not be silenced!”**

*Statement from Hollywood NOW President John Erickson*

October 6, 2018

**HOLLYWOOD, CA** – The confirmation of Brett Kavanaugh to the U.S. Supreme Court proves one thing: we must organize and vote out the faux politicians that would rather appoint a bully, serial liar, and a man who treats women with disrespect, than listen to survivors and women across the country.

Mark our words: Brett Kavanaugh will work with the cemented conservative majority to repeal *Roe v. Wade*, protect President Trump from being indicted and firing the special counsel whenever he wants, further dismantle net neutrality, give corporations more power, repeal the Affordable Care Act, and whole host of other horrors that are only seen in dystopian fiction. Hollywood NOW is more determined than ever to do all that we can to get out the vote in November – we are going to march, canvass, call and campaign because we will not go back and we will never be silenced!

Hollywood NOW is proud to stand with leaders and organizations from across the country in opposition to the illegitimate Supreme Court and we call upon our members and supporters to call Senator Susan Collins [R-ME] and Senator Joe Manchin [D-WV] and voice their strong opposition to their vote for Brett Kavanaugh today at (202) 224-3121!

### **About Hollywood NOW**

The Hollywood Chapter of the National Organization for Women (NOW) is a membership organization committed to institutionalizing intersectional gender equity. Our work transgresses over social boundaries and walls built to imprint, reinforce and protect implicit stereotype biases that damage all of us. As a progressive, intersectional feminist organization we advocate for solutions that recognize that individuals face multiple intersecting discriminations/privileges based on race, sex, gender, sexuality and other statuses.
