Women's Rights Are Equal Rights

The Hollywood Chapter of the National Organization for Women (**Hollywood NOW**) addresses today's pressing issues facing women in Hollywood and West Hollywood – both the geographical community and the industry. **Hollywood NOW** is working to attain more equitable treatment and representation of women in our community and industry.

In our never-ending effort to creating a defiant sisterhood and a movement towards empowering women and young girls to be extraordinary leaders, **Hollywood NOW** also carries the mission to bring advocacy and awareness to the social justice issues that Trans women face in our society.

Join **Hollywood NOW** and help make the world a more equitable and safer place for all! Becoming a member helps us to advance our mission of making women's issues a top priority in Hollywood.

You will be aware of current issues affecting women, network with the women of Hollywood & West Hollywood, and come to our sponsored and co-sponsored events throughout the year.

(sliding scale for students).
